

(Sample Letter One)

October 2, 2017

Dear Emily,

I hope this letter finds you doing well. I am writing to personally invite you to attend the Community Bible Class. This class has a relaxed atmosphere and begins at 9:30 a.m. in the church auditorium. **NO ONE** in this class will ever be asked to read, pray, or speak in any way. However, you can ask any questions you wish, sit where you please, dress as you like, and just feel at home.

Beginning October 8, we will study *Journey Of A Lifetime*, one of the most popular Bible studies available. In this study, the entire Bible is taught book-by-book from *Genesis* to *Revelation* in 52 weeks. You can honestly learn more about the Bible in one year than the average Christian will learn in a lifetime. If you attend this study and decide you do not wish to continue, no one will ever pester you about coming back. However, it is best for you to attend at least three times to see what the study is really like. I believe you will be like the man who said to me, "I have never attended anything I enjoy as much as I do the Community Bible Class."

As you arrive each week, you will receive your lesson for that week. At the end of the study, you will have a 225-page commentary of the entire Bible. It will be yours to keep **absolutely free**, and we will have covered every page in class. You will also receive a free book entitled *Know Your Bible*, which is packed with helpful information about every book in the Bible. It gives details on the author of each book and a brief description of the book in ten words or less, as well as a more detailed summary.

There are absolutely **no strings attached** in this class. You will not be asked to make any kind of commitment or join any church. However, you can learn what you have always wanted to know about the Bible and how to understand it. If you have any questions, or would like to pre-enroll, please call me at 276-1016 or email me at tommy@journeyseries.com.

Looking forward to seeing you October 8,

Pastor Tommy
