Dear Laura and Jeff,

I was delighted to see you in our Community Bible Class last Sunday. We had the most people we have ever had, and I'm glad you were one of the new ones. I hope you enjoyed the class.

The Community Bible Class is designed so everyone will feel at ease and comfortable. In this class you will never be called on to read, pray, or speak in any manner. However, you will be given an opportunity to ask any questions you desire.

You will receive the lesson for each Sunday as you arrive. Lessons from previous Sundays are also available. Just ask the person from whom you receive your lesson on Sunday, and they will get you any lessons you need.

This Sunday we will study the book of Genesis. We will learn about the creation of the world and why the name *LORD* is often spelled in all caps in the Bible. We will also discuss how old Adam was when God created him, what the flood of Noah's day reveals about when Christ will return, etc. Don't miss this exciting lesson.

See you again Sunday,

Pastor Tommy, teacher
